「2026 Earth Hour關燈一小時」活動

本公司為力行節能減碳，響應「2026 Earth Hour關燈一小時」活動。呼籲員工及社會大眾正視氣候變遷議題，藉由隨手關上不必要的電燈，一起以實際行動守護地球，珍惜我們的家園。

這項關燈活動於3月28日晚上20:30-21:30進行，本公司及子公司昆山和霖光電將關閉各廠區外牆的招牌燈，及不必要的電燈1小時。並號召員工在家參與，一起為環境盡一份心力，與你一起讓世界變好。

Giantplus Technology responds to the event of "2026 Earth Lights Off for 1 hour"

In order to implement energy saving and carbon reduction, our company responds to the event of "2026 Earth Lights Off for 1 hour". Call on employees and the public to concern the issue of climate change. By turning off unnecessary lights, we can protect the earth and cherish our home together with practical actions taken.

This lights-off event will be held at 20:30-21:30 pm on March 28th. GP & KGO will turn off the signboard lights on the outer walls of each plant and unnecessary electric lights for 1 hour. And call on all employees to participate in this event at home, contribute to the environment together, and make the world a better place with you.
